

C NA Expedite Applications

REVISION 52
(01/01/24 – 12/31/24)

Complete the [NA expedite](#) eligibility determination as soon as possible. The application must have a determination made in order, for the PI to receive NA benefits by the seventh calendar day from the date of the application.

Use the [AZTECS Monthly Production Schedule \(AMPS\)](#) to determine the keying deadline.

NOTE The seven days begins the day after receipt of the NA application. When the seventh day falls on a holiday, the interview must be completed by the workday before the holiday.

When expedited NA benefits are approved on the seventh calendar day, complete the procedures outlined in [Same Day Availability](#).

NOTE All reasonable efforts must be made to obtain verification through collateral contacts or readily available written statements. Attempt to obtain the information within expedited time frames.

When expedited benefits are approved and no additional verification is required send the NA Approval (F100) notice.

When expedited benefits are approved and additional information is required the following must be completed:

- All [required verification](#) except identity must be postponed (See [Postponed Verification for NA Expedite Applications](#) for procedures)
- Send the Expedited NA Postponed Verification (F121) notice
