

A Official Applications - FAA Applications for Assistance

REVISION 13
(07/01/10 – 09/30/10)

FAA accepts the following official FAA applications as an application for ALL FAA and AHCCCS Title XIX programs:

- Application for Assistance (FA-001) (standard format)
- Renewal Assistance Application (FA-001-M) (mailable format)

WARNING

When an FA-001-M is turned in requesting initial CA or MA benefits provide the applicant with the assignment of support rights signature page included in the FA-001.

When the applicant is not present, mail both of the following:

- Assignment of support rights signature page
- More information is Needed (C011) notice requesting the assignment of support rights signature page be signed and returned.

- Application for Assistance (FA-001) (large print format) (To order, see [Large Print Forms\(sop\)](#))
- [One-e-App Health-e-Arizona](#)
- Any other DES/FAA approved application form used for [FAA pilot programs](#) or projects
- Photocopies or print outs of any of the previously listed official applications

NOTE The FA-001 and FA-001-M may also be downloaded and printed from the [FAA web site](#).

When an application for assistance or benefits is received that is NOT listed as an official FAA application, see [Acceptable Applications](#).
