

B Receipt of Benefits in More Than One Case - Currently Receiving NA

REVISION 18
(10/01/11 –12/31/11)

A participant may not receive NA in Arizona in the same month when any of the following occur:

- NA is received in another case
- NA is received in another state
- Cash is received in place of NA in another state (See [Cash Out State\(g\)](#))
- [Food Distribution Program](#) (FDP) benefits are received

NOTE DO NOT include a participant in the new case until they have been removed from the former case.

EXCEPTION

A participant living in a [domestic violence emergency shelter](#) is potentially eligible for NA in the same month when they meet both of the following:

- The participant receives benefits in an NA budgetary unit with the individual who abused them.
- The participant is applying without the individual that abused them.

(See [SH Participation Code – NA](#))

When the participant received benefits in another state, verify that benefits have stopped in that state. (See [State Contacts](#))
