

B Application Maintenance (APMA) - Correct or Update Information

REVISION 03
(01/01/08 – 03/31/08)

When the PROGRAM INVOLVEMENT field on APMA is highlighted, the following fields can be corrected or updated:

- APP RECEIVED DATE
- BEN PRORATION DATE
- REF SRC REF DATE
- GLA/REHAB

MA EXCEPTION

When MA has been approved and transmitted to AHCCCS, the BEN PRORATION DATE field cannot be changed.

The fields can only be corrected or updated when the following applies:

- The program is in the first benefit month.
- There is no paid benefit.
- The application to be corrected or updated is not a renewal.

The EXPEDITED FS/PG and the DATE OF DISCOVERY fields must be keyed when it is determined, during the interview, that someone is pregnant.

AZTECS removes information keyed in the EXPEDITED FS/PG and the DATE OF DISCOVERY fields on APMA when N is keyed in the INTERVIEW COMPLETED field on INDA.

When it is determined, during the interview, that the applicant is not an expedite, remove the information keyed in the EXPEDITED FS/PG and DATE OF DISCOVERY fields on APMA.
