

B Application Maintenance (APMA) - Correct or Update Information

When the PROGRAM INVOLVEMENT field is highlighted, the following fields can be corrected or updated:

- APP RECIEVED DATE
- BEN PRORATION DATE
- REF SRC REF DATE
- GLA/REHAB.

EXCEPTION

When MA has been approved and transmitted to AHCCCS, the BEN PRORATION DATE field cannot be changed.

The fields can only be corrected or updated when the following applies:

- The program is in the first benefit month.
- There is no paid benefit.
- The application to be corrected or updated is not a renewal.

The EXPEDITED FS/PG and the DATE OF DISCOVERY fields can be keyed, when it is found during the interview that those applying are entitled to expedited FS or someone is pregnant.

AZTECS removes information keyed in the EXPEDITED FS/PG and the DATE OF DISCOVERY fields when N is keyed in the INTERVIEW COMPLETED field on INDA.
