

### **.03 Compliance in the Month After the NA Approval Period Ends**

The budgetary unit may comply with the NA requirements in the month after the end of the NA approval period. Determine the proration date based on the following:

- When the delay is the fault of FAA, complete the following:  
Reopen the case on REPT.  
Determine NA from the first day of the initial month of the new NA approval period.  
(See [Administrative Corrections](#) to determine the correct REPT Reason Code)
- When the delay is the fault of the participant and the participant contacts the local office, complete the following:  
Register the renewal application on APMA as a new application.  
Prorate NA from the date the participant contacts the local office.  
Document the following on CADO:
  - The date the participant contacted the local office.
  - That the participant complied in the month after the end of the NA approval period.

Send the [appropriate notice](#).
