

.01 Completion of Approved Courses

The child has COMPLETED the high school course of study prescribed by the State Board of Education for completion of grade ten (high school sophomore).

The child is ENROLLED in one of the following:

- A vocational or training program that meets the educational standards established and approved by the Department of Education.
- An educational program provided by a state educational (or other) institution. For example, a child who has passed through school early and is attending college.
