

A CA Drug Test Requirement

REVISION 48
(01/01/20 –12/31/20)

Arizona law requires FAA to complete the following for all eligible CA participants age 18 or over coded IN on SEPA:

- Determine when there is [reasonable cause](#) to believe the participant engages in the use of [illegal drugs\(g\)](#).
- When reasonable cause exists refer the eligible participant for the required drug test. (See [Drug Test Referral Procedure](#))
- Disqualify the participant for 12 consecutive calendar months when they [test positive](#) for the use of illegal drugs.

NOTE This includes dependent children age 18 or over.

The CA participant must comply with the drug test policy requirements at application as follows:

- At new application when benefits are authorized.
- At renewal application when the interview is completed.

NOTE Drug testing requirements do not apply to Refugee Cash Assistance (RCA), Tribal TANF, or Grant Diversion.
