Person Alert Codes cannot be keyed as Program Alert Codes in the PROGRAM ALERTS section of PRAP. For Alert Codes that can be keyed as BOTH Program and Person Alert Codes, see [Program and Person Alerts](#).

### **WARNING**

The following Participant Disqualification Alert Code types must be keyed in the THIRD alert type field on PRAP next to the disqualified participant, regardless of the number of other person alerts:

FD (Felony Drug Conviction)

FF (Fleeing Felon)

IP (IPV)

Keying these alert types in the first or second alert type field on PRAP next to the disqualified elderly participant or person with a disability will incorrectly allow the household special considerations.
