

### **.03 School Reconciliation**

One of the following is required to end a school attendance sanction:

- Written verification from the school administrator or principal.
- Written verification from the County Department of Education for home schooling.
- Evidence of [School Attendance Good Cause](#)
- A new application received from the budgetary unit with [intent to comply](#) is considered as an instance of reconciliation.

Place any written verification in the [case file\(g\)](#). Document the DOC field on DISA, the FA-015, and CADO with the action taken to end the sanction.

When verification of compliance is not received within ten calendar days of the request, and good cause has not been established, see [School Attendance Elevation](#).
