

J Sanctioned Participant's Intent to Comply

REVISION 07
(01/01/09 – 03/31/09)

Intent to comply refers to the participant who demonstrates intent to comply with certain [PRA](#) requirements.

EXCEPTION

Intent to comply does NOT apply to Tribal TANF or DCSE.

The Jobs Program may send NOAA informing the participant of a sanction. The participant may contact Jobs to demonstrate compliance within the prescribed timeframes allowable by the Jobs Program. Compliance with the Jobs Program results in an ACTS alert to FAA to end the sanction. When no NOAA has been sent by close of business on the last day to request a notice of adverse action, end the sanction.

Consider a new application as intent to comply when the budgetary unit includes a noncompliant participant for Jobs, School Attendance, or Immunization.
