

## **.02 Treatment Center Approval Procedures**

Determine eligibility for budgetary units living in these specialized living arrangements. Use the same eligibility criteria that applies to other NA budgetary units including the following:

- The resident addict or alcoholic and their immediate family must be included in the budgetary unit.
- Approval must be completed using an [NA representative](#) who meets the following:
  - Is an employee of the nonprofit organization or institution that administers treatment program
  - Is designated by a responsible center official
  - Is present at the interview and signs the application
- The center receives and spends the benefits for food prepared by, or served to, the resident budgetary unit.
- Residents in treatment centers participating in NA are exempt from [work registration](#).

Y must be keyed in the GLA/REHAB field on REAP.
