

.02 Residents of Approved Domestic Violence Shelters

Determine eligibility for each resident family as a separate budgetary unit from other residents.

Residents may choose to have an employee of the shelter as an [NA representative](#).

The following apply to residents who have received benefits in a budgetary unit with a participant who abused the resident:

- The resident can, when otherwise eligible, receive benefits for the same month.
- The resident may receive benefits in both budgetary units only one time in any given month.
