

.01 Health-e-Arizona - Required Signatures

ALL submitted Health-e-Arizona referral applications must contain the signature of the applicant or representative. [Electronic signatures](#) are displayed on the [Application Summary](#). Manually signed applications are FAXed with the permanent verification documents. (See [FAXed Documents Summary](#))

WARNING

When an unsigned Health-e-Arizona referral application is received, follow the procedures outlined in [Health-e-Arizona with No Signature](#).
