

.05 Caretaker for an Incapacitated Person Exemption

REVISION 39
(12/01/15 - 01/31/16)

Participants who provide care for an incapacitated person are exempt from [ABAWD work requirements](#). The person needing care is not required to reside with the participant.

The participant is not required to verify the person's need for care unless it is questionable.

Key NC in the WERE EXPT RSN FS field.

WARNING

When a participant has a minor dependent child, do not consider the participant as an ABAWD. (See [Residing With a Minor Child](#))
