

## **.08 Student Exemption**

Participants who attend a school, training program, or college at least half time are exempt from ABAWD work requirements.

**NOTE** Half-time attendance in high school or college is defined by the institution. Half-time attendance in trade or technical schools involving shop is 15 hours a week. A program without shop practice is 12.5 hours a week.

Verification of attendance at least half-time may be obtained as follows:

- Collateral contact documentation that includes the date of contact, name and title of the informant.
- Completion by the institution of the Verification of School Registration (FA-075) form.
- Completion by the institution of the [C014 notice](#) sent to the participant.
