

B ABAWD - Exemptions

Participants are not subject to a three month time limit for receipt of NA when at least one of the following work requirement exemptions apply:

- [Age ABAWD Exemption](#)
- [Residing with a Minor Child ABAWD Exemption](#)
- [Disability ABAWD Exemption](#)
- [Participation in a Drug or Rehabilitation Program ABAWD Exemption](#)
- [Geographically Exempt Area ABAWD Exemption](#)
- [Caretaker for Disabled Individual ABAWD Exemption](#)
- [Pregnancy ABAWD Exemption](#)
- [Student ABAWD Exemption](#)
- [Receipt of UI ABAWD Exemption](#)
- [Mandatory Jobs or Tribal NEW Referral ABAWD Exemption](#)
- [Transitional Benefit Assistance \(TBA\) ABAWD Exemption](#)

Consider an entire month exempt when an exemption occurs any time during the month.

An ABAWD participant may be determined to have multiple ABAWD exemptions. When this occurs, apply the exemption reason that allows the participant an exemption for the longest period of time first. (See Example [ABAWD Exemptions](#))

When an ABAWD participant does not meet any of the previously listed ABAWD exemptions, key NE (No Exemption) in the WERE EXPT RSN FS field.
