

J Additional Programs at Hospital Interview

When a hospitalized applicant requests additional programs at the interview, complete the following:

- Have the applicant complete an [official FAA application](#).
- Date stamp the FAA application the same day the applicant completes it.
- Register the application in accordance with the [application effective date](#).
- When necessary assist the applicant in completing the application. (See [Expedited MA Services](#))
- Conduct the interview for all programs requested.
- Request needed verification.
- Determine eligibility for the requested programs.
- Mail or send the appropriate notices.
