

02 **Financial Accounts - Overview**

Financial accounts may be determined countable or not countable, depending on the program. The resource limit amounts for each program are as follows:

- [CA Resource Limit](#)
- [NA Resource Limit](#)

WARNING

Monies that have already been counted as income in a given month **MUST** not be counted as a resource in the same month. Count any money remaining in the following month as a resource

Consider all countable financial accounts that are available to the budgetary unit when determining eligibility.

Policy and procedures for treatment of financial accounts are outlined as follows:
