

## **E Sale or Transfer of Resources - No Effect**

Sale or transfer of a resource does NOT affect eligibility when the following apply:

- For CA, the value of the sold or transferred resource IS NOT MORE than the resource limit. (See [CA Resource Limit](#))
- For NA, the value ADDED to the other countable resources IS NOT MORE than the resource limit. (See [NA resource limit](#))

Transferred resources do NOT affect eligibility when the total transferred resources and other countable resources do not exceed the NA resource maximum limit.

NOTE Stop the benefits when the participant refuses or fails to provide information necessary to determine [equity value\(g\)](#).

### **WARNING**

MA participants may reduce their resources to meet the MD resource limit without CA or NA being affected. (See [MD Resource Reduction](#))
