

## .14 Indian Gaming Industry Per Capita Disbursements

**REVISION 15**  
(01/01/11 – 03/31/11)

Indian Gaming Industry per capita disbursements are considered income in the month received. These funds are COUNTABLE.

Any amount remaining in a following month is a countable resource. (See [Indian Gaming](#) - LIAS)

Key Indian Gaming Industry per capita disbursements in the INC TYPE field on UNIC as IG OT for CA and NA and IG MA for MA.

### EXCEPTION

The Indian Gaming Industry per capita disbursement funds placed in an inaccessible trust by the tribe for either of the following are NOT COUNTABLE:

- Child 18 years of age and younger
- Incapacitated adult with a guardian or conservator

(See [Trust Funds](#) for additional policy)

Key the OX Unearned Income Code in the INC TYPE field on UNIC.

### MA EXCEPTION

Indian Gaming Industry per capita disbursement funds received as a continuous source of income, are COUNTABLE for MA. (See Example [Continuous Source of Income](#))

When the payment recurs at a predictable interval, [convert](#) to a monthly amount for the period of time it is intended to cover.
