

.01 Actual Income - Daily Wages and Day Labor

Income received, or anticipated to be received, each day is considered daily wages. This includes income scheduled to be received on a daily pay cycle, regardless of the date received. (See Example [Actual Income 2](#))

Key AC in the FREQ field on **EAIC** or **UNIC**.

AZTECS does not average and convert actual income.

EXCEPTION

When the income recurs at a predictable interval, convert the income to a monthly amount. (See Example [Actual Income 1](#))
