

A Informing Participants of SNA E&T Program

REVISION 48
(01/01/20 – 12/31/20)

Inform the participant of the following assistance provided by the SNA E&T Program:

- Employment through job search and job readiness.
- Training or education necessary to obtain employment.

Ask the participant who in the budgetary unit would like to voluntarily participate in the SNA E&T.

Inform the participant they can receive outreach material for job fairs, and employment resources by contacting the SNA E&T program.

Inform participants to contact SNA E&T for more information about help finding employment.

Provide the participant with the SNA E&T [contact information](#).
