C NA E&T Registration

At each NA interview, complete the following:

- Determine which participants are included in the NA benefit (coded IN on SEPA).

- Evaluate these participants to determine who is exempt from NA E&T Registration. The allowable reasons for exemption are listed in Registration Exemption.

- Key the correct exemption code in the PAR/EXEM field on WORW for each NA participant coded IN on SEPA.

- Key Y in the VOL Y/N field on WORW when a participant voluntarily wants to participate.
