

.10 NA E&T Registration Exemption-Unemployment

A participant who is receiving Unemployment Insurance (UI) compensation is exempt from **NA E&T** registration.

Key UI in the PAR/EXEM field.

Include participants who have applied for but are not yet receiving **UI**, when the participant is required to register for work with the Job Service office as part of the UI application process.

Include a participant who is appealing a UI decision. Continued UI eligibility during the UI appeals process requires ongoing participation with the Employment/[Job Service office](#).
