

## **F CA Initial Month Special Rules - Participant Eligible at Determination/Not Eligible for Following Month**

When a participant is ELIGIBLE in the month the determination is completed but becomes NOT ELIGIBLE for the following month, complete the following:

- Approve the participant in the month the determination is completed.
- Process the change to [remove the participant](#) for the month of ineligibility.
- Set an alert when the change is for a month later than the [current system month](#).
- Send the appropriate [approval notice](#) and [closure notice](#).

NOTE Notices must be sent, but [NOAA](#) time frames do not apply when processing a new application.

(See Example [Participant Eligible at Determination/Not Eligible for Following Month](#))
