

## B Establishing MA Renewal Dates

**REVISION 09**  
(07/01/09 – 09/30/09)

**AZTECS** automatically establishes and displays dates in the CASE RENEWAL DATE field and CL REN DATE field on MADA for each eligible participant in the case. AZTECS sets each participant's renewal dates based on specific factors.

### EXCEPTION

The dates in the CL REN DATE field and CASE RENEWAL DATE field must remain for the following participants:

- **S.O.B.R.A.** Women. The date is set for the first day of the second month of the [postpartum period](#).
- Deemed Newborn. The date is set for the first day of the month in which the baby turns one.
- Four Month Continued Coverage. The date is set for the fourth month of Continued Coverage eligibility.
- Transitional Medical Assistance (TMA). The date is set for the sixth month of **TMA** for T1 and T2.
- [Medical Expense Deduction](#) (MD). The date is set for the sixth month of MD.
- The entire [budgetary unit\(g\)](#) consists of [FES](#) participants. The date is set for the sixth month after the month of approval.

AZTECS sets the renewal date as 12 months after the month of approval for participants approved in the [1931](#) (31), [1931E](#) (3E, 3C, 3W), AHCCCS Care (AC, AM, SA, SM), [S.O.B.R.A. Child](#) (SC), or [Young Adult Transitional Insurance](#) (YATI) categories. (See Example [Approval Period 1](#))

Renewal due dates are reflected on the Reviews Due or Overdue ([CR110](#)) report. The report is distributed to local offices to assist in monitoring and scheduling renewal interviews.
