F **Information Request Notice Requirements**

Eligibility situations that are pending verification in AZTECS with the PE or PP verification code, generate the specific verification request notices on NORE.

Key # in the DELETE (#) field, to delete the notice situation, when the verification is requested using the Information Request and Pending Information Agreement (FAA-0077A) form at the time of interview.

Send the F011 or A011 notice on NORE when a change in information was reported, and verification of the change is pending.

When the F011 or A011 must be sent in Spanish, follow the procedures in Translation Services When Sending Notices.

Refer to Notice Definitions in AZTECS LISTCODES for the contents of requested notices.
