FAA5.I   Medical Assistance Resource Determination (MARD)

01   MARD - Purpose

THIS SCREEN IS FOR DISPLAY ONLY.

The information displayed on MARD only affects MD MA eligibility.

When a participant is selected from MADA, MARD displays the results of the resource determination.

This screen summarizes information keyed or changed on FIAC, LIAS, VEHI and OTAS.

MARD also displays the result of the MA resource eligibility determination.

The only participants displayed on MARD are those for whom MA eligibility is being determined, and their spouse or parents.

For new applications, AZTECS processes MARD even when resources are not keyed. AZTECS also processes MARD when a change is made to any of the non-financial or resource screens.

MARD displays the results of the MA resource eligibility test. One of the following edit messages displays:

- *INFO* PARTICIPANT HAS PASSED THE RESOURCE DETERMINATION TEST

- *INFO* PARTICIPANT HAS FAILED THE RESOURCE DETERMINATION TEST

To return to any of the resource screens, place the cursor to the far left of the resource to be reviewed or changed. Key X, and press ENTER. AZTECS returns to the applicable resource screen.
