

## **08 Multiple Changes**

When two or more changes occur and are reported on the same change report, determine the net effect of all changes as follows:

- For budgetary units subject to [Standard Reporting](#) requirements, see [Multiple Changes \(Standard\)](#).
- For budgetary units subject to [Simplified Reporting](#) requirements, see [Multiple Changes \(Simplified\)](#).

[Multiple case changes may](#) result from a reported change. Review all changes, and take appropriate action for all **AZTECS** cases affected by the changes.
