

## **.07 Changes Verified Untimely - Standard Reporting**

When the verification is received after the information due date and the benefits have been stopped, the following applies:

- When the verification is received before the first day of the month the benefits stopped, reopen the case on **REPT** and effect the change as follows:  
For CA, increase benefits for the first regular benefit ISSUED after the date the verification is received.  
For FS, increase the benefits with the first allotment ISSUED ten days after the date the verification is received, but no later than the month after the month the verification is received.  
Send the appropriate change notice. (See [Change Notice Requirements](#))
- When the verification is received on or after the first day of the month the benefits stopped, do not reopen the case. The participant must reapply.
