

.12 No Change in Benefits - Standard Reporting

When a reported change results in no change in benefits, send the [C705 notice](#) to the participants. AZTECS sends a new change report to the participants.

MA EXCEPTION

When a renewal application is reviewed and there is no change action required prior to the approval, do not send the C705.

MA WARNING

When a participant applied and was denied on a prior application and a change is reported, a new determination must be made. When it is determined that the participant is still not eligible, an [MA denial notice](#) must be sent.
