

## .12 No Change in Benefits - Standard Reporting

**REVISION 04**  
(04/01/08 - 06/30/08)

When a change reported by the participant results in no change in benefits, send the [C705 notice](#), which includes a new change report, to the participant.

### **MA EXCEPTION**

When a renewal application is reviewed and there is no change action required prior to the approval, do not send the C705.

### **MA WARNING**

When a change is reported on an active MA case, a new determination must be made for any participant who applied and was denied on a prior application. (See [Adding a Participant to an Active Case](#)) When it is determined that the participant is still not eligible, an [MA denial notice](#) must be sent.
