

B Reporting Time Frames - Simplified Reporting

At the interview, the participant must report any changes that have occurred from the application date through the interview date.

Changes occurring after the interview date must be reported no later than the next renewal. (See [Changes that Must Be Reported](#))

The participant must report changes in income that exceed the gross income limit within ten days of becoming aware of the change.

NOTE The date the change is considered reported is the date the change is received in ANY local office.
