

.01 Information Requested on the X113 is Received

When information requested on the X113 (or M113) IS provided, complete the following:

- Review the information to ensure the following active eligibility requirements are met:
 - The child is with the mother
 - The child and mother live in Arizona
- Document CADO to indicate whether or not the child remains with the mother in Arizona.
- Update AZTECS with the child's name on CLIM. SSN enumeration is not an eligibility requirement, but when it is provided, replace the pseudo SSN on SSDO with the valid SSN.
- When active eligibility requirements have been met, authorize on MADA. Send the [M500 notice](#).

NOTE AZTECS sets the date in the Deemed Newborn's CL REN DATE field and CASE RENEWAL DATE field. Do not change these dates.

- Document the CR600 with the action taken.

NOTE The local office must retain the CR600 report for one year.

- Set an alert to complete an [informal renewal for the Deemed Newborn](#) in six months.

- Information may be provided and it is determined that eligibility for the Deemed Newborn does not or never has existed. When this occurs, see [Continuing Deemed Newborn Categorical Coverage](#) for policy regarding changes in Deemed Newborn coverage. Send an [adequate notice](#).
