### .02    Newborn Born to SSI or HP Mother – Not Known to AZTECS

When the SSI or HP mother is not known to AZTECS, or her information in AZTECS is more than one year old, the following apply:

- The Deemed Newborn is listed on the CR605 report received by the Research and Analysis Unit (R & A).

- R & A informs the local office via e-mail of the following:

  Mother's name

  Mother's Address

  Mother's Telephone number

  Mother's Date of birth

  Mother's Social Security Number

  Child's date of birth

  Child's AHCCCS ID

  Child's gender

  Child's name

- The local office uses the e-mail information to register an MA application for the Deemed Newborn using the Deemed Newborn's date of birth as the application date.

- The EI completes the following:

  Key  OU  in the SSI or HP mother's MA PT field on SEPA.

  Key  IN  in the Deemed Newborn's MA PT field on SEPA.

  Telephone the SSI mother to obtain the Deemed Newborn's name and to verify the Deemed Newborn is living with the mother in Arizona.

  NOTE    When the mother has no telephone or fails to respond to the call, send the M113 notice to the mother.  Give her 20 calendar days from the day the notice was mailed to respond.

  When the mother responds and verifies the Deemed Newborn is living with her in Arizona, approve the Deemed Newborn's MA.  Send the M500 notice.

  When the mother fails to respond, contact the mother by telephone or home visit to clarify the Deemed Newborn is

residing in Arizona with the mother.  Document all contact attempts in the case file(g).

NOTE    A home visit is optional.

When the Deemed Newborn is not living with the mother in Arizona, deny MA for the Deemed Newborn allowing for NOAA.  Key  NR  in the CASE CLOSE/DENY field on MADA. Send the M200 notice.
