.02   Region QC-100 Responsibilities - QC-100 Disagreement

For procedures on gathering information and revisiting the budgetary unit, or any verification source after the QC-100 is issued, see QCRC Additional Information.

When the Program Manager or designated staff does not agree with the error cited, see QC Protest.

When the Program Manager or designated staff agrees that the error cited exists, but that the error occurred due to something that is beyond their control, see QC District X.
