

## D Verified Document Match

AHCCCS notifies R&A when they have established and VERIFIED the following:

- Death of a participant
- Incarceration of a participant

R&A sends an e-mail to the appropriate local office and requests that the participant's MA be stopped. No further verification is required.

The Local Office Manager (LOM) must designate an EI to stop MA benefits for the participant. (See [MA Ineligibility Begin Date](#))

NOTE When R&A requests that MA benefits be stopped for the [PI\(g\)](#), see [Emergency MA Representative](#).
