

## **B Application Process - Pascua Yaqui Tribal TANF**

**REVISION 01**  
(07/01/07 - 09/30/07)

The Pascua Yaqui TANF service delivery area (SDA) includes areas located on and off the Pascua Yaqui Reservation. FAA local offices must review CA applications to determine whether the application includes a Pascua Yaqui Tribal member that resides in one of the following locations:

- Maricopa county
- Pascua Yaqui Indian Reservation
- Pima county
- Pinal county

When a participant claims Pascua Yaqui Tribal status and lives in one of these locations, verify Pascua Yaqui Tribal status before case approval.

Confirm Pascua Yaqui Tribal status using either of the following:

- Pascua Yaqui Tribal enrollment or census card
- Pascua Yaqui Tribal [enrollment office](#)

When Pascua Yaqui Tribal status is verified and the participant meets the Pascua Yaqui eligibility requirements, see [Pascua Yaqui TANF Special Keying Requirements](#).
