

D Program Requirements - Pascua Yaqui Tribal TANF

PY-TANF participants are required to cooperate with all CA program requirements listed in the [Personal Responsibility Agreement](#) (PRA). This is true except for certain PRWORA policies. For these exceptions, see [PY-TANF Exceptions to PRWORA](#).

All PY-TANF participants must be assessed for potential employment. When determined by [Tribal NEW](#) staff to be ready, participants must engage in work. Refer all PY-TANF participants (See [Tribal NEW Referral](#))

PY-TANF participants are eligible to participate in the Tribal NEW Pre-employment Vocational Training Program. Selected Tribal NEW participants are provided an educational stipend. (See [PY-TANF Tribal NEW Stipend](#))

Tribal NEW staff notify the appropriate FAA local office when a PY-TANF participant begins or ends participation in the Pre-employment Vocational Training Program.

NOTE Tribal NEW staff works with non-tribal participants when at least one participant in the budgetary unit is an enrolled Pascua Yaqui member.
