

01 *Arizona Fingerprint Imaging Program (AFIP) - Overview*

REVISION 09
(07/01/09 – 09/30/09)

The Arizona Fingerprint Imaging Program (AFIP) is an automated fingerprint comparison system for use in the eligibility determination process. AFIP is designed to ensure that participants do not use false identities to receive benefits for which they are not entitled.

NOTE For assistance, contact the [AFIP Help Desk](#).

WARNING

Do not release Fingerprint Image Records or AFIP Enrollment Receipts to anyone.

Fingerprint imaging is used only for the purposes of determining eligibility and preventing participants from receiving duplicate benefits.

MA EXCEPTION

Fingerprint imaging is NOT a condition of eligibility.

Policy and procedures regarding AFIP are outlined as follows:

- [AFIP Requirements](#)
- [AFIP Workstations](#)
- [AFIP Enrollment Process](#)
- [AFIP Imaging Exceptions](#)
