

B Maximum NA Resource Limit

Effective October 01, 2002

The maximum resource limit for NA when all participants are age 59 or younger and are not disabled is \$2000.

The maximum resource limit for NA when one or more participants are age 60 or over or are disabled is \$3000. (See [Elderly or Disabled](#))

(See [NA Resource Determination Overview](#) for policy and procedures regarding resource determination for NA.)

EXCEPTION

Maximum NA resource limits do not apply to NA budgetary units that meet [Basic](#) or [Expanded](#) Categorical Eligibility requirements.
