

## **C Management Evaluation Review Comparative Analysis**

Obtain the local office NA Accuracy and Error Reports from **CATS** or **TarCATS** for the three month period prior to the **ME** review month. (See CAS(cas) to access CATS and TARCATS) Complete the following:

- Report the supervisors' and case readers' case read accuracy for the appropriate selection period.
- Report the case accuracy of the ME case reads and that of **QC's** findings for the appropriate sample period.

Obtain the NA Local Office Review Case List from the Data Support Unit's (DSU) supervisor for QC's information.

Monitor using the NA Local Office's Review Case List
