02   Active Case Verification

Complete the following when verification is still needed for inactive cases:

- Complete the Overpayment Alert (FAA-1277A) form.

- Indicate the verification that is still required in the Type of Information Needed section on the FAA-1277A.

- Place the FAA-1277A in the case file.

NOTE   Use OSI and base wage information when all other verification sources have been exhausted.
