

**D GA - Referral for Potential Benefits - Referral for Medical Treatment or Vocational Rehabilitation**

A GA participant is not required, as a condition of eligibility, to accept either of the following:

- Medical Treatment recommended by examining physicians or the [District Medical Consultant \(DMC\)](#).
- Vocational Rehabilitation (VR) referrals

GA participants may be referred to VR when either of the following occurs:

- The DMC recommends referral
- The participant requests referral

The referral to VR is strictly voluntary. When a participant is referred to VR, the local office must obtain social information, and forward medical records and the Employability Data (FA-191) form to VR.
