

A State Assistance Residency Requirements

Residency requirements for State Assistance are as follows:

- For General Assistance (GA), participants must currently reside in Arizona with the intention of making Arizona their home.
For participants living in institutions, see [GA Residency in an Institution](#).
For participants living on Indian reservations, see [GA Residency on an Indian Reservation](#).
- For Tuberculosis Control (TC), the Department of Health Services (DHS) is responsible for the determination of residency. When a residency becomes questionable, refer it in writing through local office management, to the local DHS office.
When budgetary units transfer between counties, see [TC Transfer Between Counties](#).
When budgetary units leave the state, see [TC Move Out of State](#).
