B   State Assistance Citizenship Verification

Accept only the originals of the following documents to verify a participant's U.S. citizenship:

- Certified birth certificate issued by any of the following bureaus of vital statistics:

  United States (U.S.) government

  State government

  Local government

- Certificate of Birth (FS-545 or DS-1350) issued by the U.S. State Department.

- Report of Birth Abroad of a U.S. Citizen (FS 240) issued by the U.S. State Department.

- Certificate of Naturalization (N-550 or N-570) issued by the U.S. Department of Justice.

- American Indian census record.

  NOTE   The tribal boundaries of a federally recognized U.S. Native American Indian Tribe may extend into a foreign country. Treat enrolled members of that tribe born outside the U.S. the same as a citizen of the U.S.

- Certificate of Citizenship (N-560 or N-561) issued by the U.S. Department of Justice.

- U.S. Citizen Identification card (I-197).

- Identification Card for Use of Resident Citizen (I-179).

- U.S. Passport.

- Verification from the U.S. Citizenship and Immigration Services (USCIS) that establishes U.S. citizenship.
