

.01 GA Medical Disability - Disability Definitions - Medically Qualified Source or Doctor

For program purposes, any doctor who certifies participants as disabled must meet both of the following requirements:

- A physician recognized by the Arizona Revised Statute
- Licensed to practice in the State of Arizona

The term medically qualified source is limited to the following:

- Medical Doctors (MD)
- Doctors of Osteopathy (DO)
- Doctors of Naturopathic Medicine
- Chiropractors
- Psychiatrists
- Board Certified Psychologists
- Physician's Assistant who has a dependent relationship with a licensed physician
- Podiatrist
