

**E State Assistance Eligibility and Benefit Determination -
Tuberculosis Control (TC) Case Completion**

Notify the Department of Health Services (DHS) of the decision reached on the TC application. Complete the section of the Request for Approval of Home Care for Tuberculosis Patient (TB-108) form with the heading ACTION TAKEN ON THE TC APPLICATION. Return one copy to DHS.

A TB-108 may be received for an individual who has not applied for assistance. In this situation, complete the TB-108. Document that no application has been received. Return one copy to DHS. Retain the second copy at the FAA local office.

When a TB-108 is not received by the time the case is ready for completion, DHS must be contacted to check the current medical status of the case. DHS forwards copies of the TB-108 to the local office.
