

**.07 State Assistance Benefit Selection - Types of Changes - GA Advance Notice for Possible Fraud**

Facts may be obtained indicating that benefits should be stopped or reduced because of probable fraud of the participant. In this situation, send [adequate notice](#) to the PI prior to reducing or stopping benefits. The following apply:

- Take action to reduce or stop benefits only when facts regarding the probable fraud are verified through collateral contacts.
- Supervisory approval is required.
- Document CADO thoroughly for any action taken.
